

### **Sinead Purcell's Today FM's Shave Or Dye 2012 :: My Charity, Fundraising Ireland**

Hello, I'm currently looking for donatations. I'm sure most of you have been affected one way or another by Cancer, and in memory of these family, friends etc who are no longer with us, I am taking part in Today FM's Shave Or Dye 2012 for the Irish Cancer Society.

Today is the day that I will be shaving of my lovely long hair, but my sponsorship is running for another month, so all donations no matter how small will be greatly appreciated. I would be greatful if you could inform me who is the person that post the Mullinahone news on the national newspapers. Many thanks
